EXHIBIT ONE

**State Bar of Michigan
Unauthorized Practice of Law
Department 306
Townsend Street
Lansing, MI 48933**

NOW COMES D. GEORGE SWEIGERT to complain about the conduct of the following individuals:

Larry E. Klayman, attorney presently suspended in the District of Columbia

John H. Snyder, attorney in good standing State of New York

Jason D. Goodman, proxy legal agent for the above

This matter concerns the “ghost writing” of legal documents that are presented to courts in Michigan by a so-called “*pro se*” legal advocate that solicits funds in Michigan as part of a COUNTER LAWFARE initiative.

It is alleged, in many legal actions, that this group operates a sham litigation enterprise for the primary purpose of using intimidation, coercion, and extortion of court personnel to manipulate the outcomes of litigation.

JOHN H. SNYDER, esq., is the attorney that represents the interests of so-called organized crime boss Felix Sater of New York City. Mr. Snyder is the so-called former attorney of JASON D. GOODMAN in an action that appeared to extort monies from the EMMY Television Awards.

LARRY E. KLAYMAN is a so-called vexatious attorney that identifies himself as a “conservative talk show host” and produces social media podcasts with Mr. Goodman for the purposes of alleged intimidation of federal jurists in the District of Columbia. These podcast shows are produced under the COUNTER LAWFARE banner as supposed CITIZEN GRAND JURY proceedings.

There are two corporate entities that appear to maintain an enterprise for the purposes of intimidation, coercion, and extortion: Mr. Klayman's FREEDOM WATCH, INC., a purported 501(c)(3) corporation in Washington, D.C. and Mr. Goodman's MULTIMEDIA SYSTEM DESIGN, INC., a dubious New York corporation that claims to own the U.S. trademark "CROWDSOURCE THE TRUTH".

Either Mr. Klayman and/or Mr. Snyder may have ghost-written a so-called Amicus Brief filed on the federal court docket by Mr. Goodman (attached as Exhibit One). This Amicus is an artifact of this enterprise and is a so-called sham litigation artifact. The purpose of docketing such papers is to broadcast discussions in podcasts about the progress of litigation on the private video service known as PATREON, LLC.

PATREON acts as a so-called aiding and abetting accomplice to further the financial rewards of this enterprise. Both Mr. Goodman and Mr. Klayman maintain PATREON video channels that require private credit card authorization to access video content. Mr. Goodman proclaims himself to be acting as a "legal advocate" to prosecute "lawfare conducted by social engineers".

Mr. Goodman is then "backed-up" with apparent legal nonsense by self-identified "Special Prosecutor" Larry Klayman. Both Mr. Goodman and Mr. Klayman then threaten to convene "Citizen Grand Juries" to supposedly create criminal referrals to the U.S. Department of Justice (DoJ) for criminal prosecution (note: several Freedom of Information Act requests to the DoJ for records of communications from Mr. Klayman or Mr. Goodman have turned up no such "criminal referrals") against their targets.

In the past Mr. Goodman has worked closely with George Webb Sweigert (Webb) who is tasked with filing baseless claims against defendants for the purpose of extorting funds to avoid

embarrassing and costly litigation. As Exhibits One and Two point out, the Cable News Network is the latest victim of this apparent Goodman-Klayman-Webb extortion racket.

In this apparent scheme George Webb Sweigert acts as the “pure heart – empty head” *pro se* plaintiff that initiates litigation against large corporate entities, in this case the Cable News Network (C.N.N.). Meanwhile, Mr. Goodman works with an accomplice, in this case Webb’s girlfriend Corean Elizabeth Stoughton (Hanover, Maryland). Ms. Stoughton supposedly entraps the prey (C.N.N.) with confidential e-mail messages about a news story. Ms. Stoughton allegedly creates the news story that her boyfriend (Webb) is a so-called conspiracy theorist that is stalking an athlete of the U.S. Army reserves.

Ms. Stoughton and Mr. Goodman apparently amplify communications to C.N.N. to get a story published (in this case by Donie O’Sullivan, who received an EMMY Television Award for said story about “George Webb”). Donie O’Sullivan and his employer, C.N.N., are merely apparent unwitting stooges in the trap. Then “George Webb” files litigation against C.N.N. to set the stage for Mr. Goodman’s sham Amicus brief to the court. Shortly thereafter, Mr. Goodman initiates a campaign of harassing and intimidating telephone calls to court personnel accusing them of participating in a criminal conspiracy to commit fraud upon the court.

The net effect of such sham litigation is to allegedly intimidate the law firm for defendant C.N.N. to initiate “settlement negotiations”, which was also attempted by Mr. Goodman with the EMMY Television Awards via the litigation activities of Mr. Snyder. The record in the New York courts clearly indicate that Mr. Goodman mailed a series of so-called extortion letters to the senior leadership of the EMMY Awards threatening litigation unless they behaved in a certain prescribed manner.

When the target victims fail to act in compliance with the supposed intimidation and extortion demands then an alleged combination of sham litigation and social media smear campaigns are launched (see PATREON accounts for Mr. Goodman and Mr. Klayman).

It appears Mr. Goodman is used as the “civilian” legal proxy to shield Mr. Klayman’s sham legal documents. The end game is to use such legal documents at a later date as part of “Citizen Grand Jury” proceedings on social media (see PATREON).

The foregoing smacks of the unauthorized practice of law in the State of Michigan by Mr. Klayman and/or Mr. Snyder, who have apparently ghost-written documents (Amicus) with the knowledge that same would be docketed in the courts of Michigan. Neither lawyer is admitted to the State Bar of Michigan and neither lawyer can fashion such papers to be docketed in Michigan.

The undersigned certifies under the penalty of perjury, that this filing is not unnecessarily duplicative or piecemeal; that the submission is not frivolous or made in bad faith or for any improper purpose.

Respectfully submitted and
sworn on this fifth day of
March (3/5), 2022.

PRELIMINARY STATEMENT

Jason Goodman is a pro se non-attorney, non-party to this case. Goodman comes now as a friend of the court to share facts and evidence Goodman alleges reveal a fraud on the court intended to affect the outcome of this case.

STATEMENT OF FACTS

Non-party D. George Sweigert (“Sweigert”) is the brother of Plaintiff George Webb Sweigert (“Webb”). On November 6, 2020, non-party Sweigert filed a motion requesting the court change the venue of this legal action to the Southern District of New York. *See* ECF No. 3 (MOTION FOR CHANGE OF VENUE BY INTERVENOR-APPLICANT PARTY OF INTEREST). Sweigert’s pleadings indicate his belief that Sweigert v CNN is related litigation to Sweigert v Goodman, and in his view, in the interest of judicial efficiency should be transferred to the Southern District of New York. The transfer was denied via ECF No. 9.

Non-party movant Sweigert is the Plaintiff in Sweigert v. Goodman (Case 1:18-cv-08653-VEC-SDA) in which he is suing Amicus Goodman currently pending in the SDNY.

Goodman first became acquainted with Webb and Sweigert in 2017. Since his introduction to Webb and Sweigert, Goodman has been the Defendant in four separate civil lawsuits. Sweigert has attempted to intervene in three of the four suits and was denied.

On information and belief, Goodman alleges that Sweigert and Webb, in an effort to improperly involve Goodman in Sweigert v CNN, have conspired with or otherwise deceived a third individual, an employee of the court, Richard Loury (“Loury”), to commit a fraud on the court. Document properties of ECF No. 12 reveal that Loury is named as the author of pro se Plaintiff Webb’s pleading. **(EXHIBIT A)**. These properties are visible in the free reader Adobe Acrobat DC or the commercial application Adobe Acrobat Professional.

On June 30, 2021, Goodman telephoned Loury at the court and asked how his name came to be associated with ECF No. 12 as the “author”. Loury stated “documents are sent to me. In order for us to upload something, I have to save it onto my computer. The document is uploaded

onto the website”. When questioned further, he simply repeated himself. Mr. Loury implied but did not directly state that his name would be associated with the document merely as a function of him temporarily saving it on his computer prior to filing it electronically on the docket. This is incorrect and does not explain how Loury’s name would be recorded within the PDF document’s embedded metadata as the “author” of the document. The “author” must be someone with the name “Richard Loury” officially stored on their computer as the active user unless someone otherwise altered the document to contain Loury’s name.

Non-party movant Sweigert is the author of the Ethical Hacker’s Field Operations Guide (<https://drive.google.com/file/d/1BeVtzd7TKGpMvNonaUdD-Ls2RlGJm7JM/view>). The guide details tactics and methods for manipulating computer systems, transmitting clandestine communications and evading detection, among other things. In several pleadings in *Sweigert v Goodman*, Sweigert has made note of various aspects of PDF document metadata indicating his knowledge in this area.

CONCLUSION

For the reasons stated in Defendant’s motion to dismiss and further for the foregoing reasons, Defendant’s motion to dismiss should be granted. Additionally, Amicus Curiae Goodman prays the court will further investigate this matter relating to ECF No. 12 and alleged fraud on the part of Sweigert and Webb and take such action as it deems necessary.

SUBJ: WARNING CONCERNING ALLEGED WIRE FRAUD

SIR/MADAM:

1. Essentially this communication creates allegations concerning Patreon knowingly broadcasting video content produced by an enterprise known as CROWDSOURCE THE TRUTH, which operates the COUNTER LAWFARE FUND, that smacks of wire fraud.
2. The latest “litigation stunt” perpetrated by the CROWDSOURCE THE TRUTH enterprise appears to have been video content placed on Patreon that describes a purported act of judicial corruption. The video speakers claim to have evidence of such “corruption” in a federal court. These assertions appear to be knowingly false with regards to any “corruption”.
3. As you are well aware New York City attorney John H. Snyder has appeared on these COUNTER LAWFARE Patreon podcast shows. Specifically, a podcast video that directly addressed “fraud on the court” and/or “corruption” in the federal courts of Detroit, Michigan.
4. These artifacts of so-called “stunt litigation” are the brainchild of the attorneys and para-legal staff that seem to orbit CROWDSOURCE THE TRUTH like flies. This group produces *criminal indictments* as part of its *Citizens Grand Jury* hoax. Some broadcasts appear to intimidate federal jurists with social media slurs and smears unless a judicial verdict is rendered, or a case heard.

5. The latest alleged instantiation of wire fraud is the transmission of a fraudulent artifact to the U.S. District Court serving Detroit, Michigan, an alleged “fraudulent artifact” known as **ECF document number 20**.

07/20/2021	20	AMICUS CURIAE BRIEF by Jason Goodman (DPer) (Entered: 07/20/2021)
------------	--------------------	---

U.S. District Court, Eastern District of Michigan (Detroit) CIVIL DOCKET FOR CASE #: 2:20-cv-12933-GAD-KGA

6. John H. Snyder, esq., affirmatively participated in creating said video content (Michigan court “corruption”) and may have ghost written **ECF document 20**, which can be said to imply the use of judicial intimidation, through the use of social media, to slur and smear court officials.

7. Documents filed in federal court suggest that you (Patreon) have exchanged e-mail messages with CROWDSOURCE THE TRUTH after you were made aware of racketeering allegations in 2018. See **EXHIBIT C-24** in attachment.

8. These acts of “stunt litigation”, that are promoted on Patreon, represent staged litigation drama and are used to apparently fuel fundraising by this group. The same group with which you (Patreon) apparently exchanged e-mail messages on December 8, 2020 to coordinate the filing of other artifacts of “stunt litigation”. [**EXHIBIT C-24**]

9. As Larry Klayman, esq. is associated with this group, there is a wealth of expertise in this area of the creation of so-called sham documents which smack of stunt litigation. This sham stunt litigation drama then becomes the subject of Patreon and YouTube video podcasts that push fund raising for the COUNTER LAWFARE fund (see broadcasts on 01/06/2021 at the U.S. Capitol sponsored by CROWDSOURCE THE TRUTH). All this activity is alleged to fuel a racketeering enterprise.

10. Patreon will recall the video podcast series created by the COUNTER LAWFARE REPORT and Brian Vukadinovich, Crown Point, Indiana, that smeared and slurred several Indiana federal judges on the COUNTER LAWFARE REPORT.
